PETITION FOR EXTENSION OF TIME UNDER 37 CFR 1.136(b)		Docket Number (Optional)
In re Application of LAAONG SILAPROM		
Application Number 10/555,615		Filed MAY 9TH 2006
For		
Art Unit 3722	Examiner JAMILA O. WILLIAMS	
<p>This is a request for an extension of time of <u>6</u> (days), (weeks), (months) under 37 CFR 1.136(b) in this pending application. An extension of time is not available in this application under the provisions of 37 CFR 1.136(a); however, additional time to respond may still be granted under the patent statute. The petition fee under 37 CFR 1.17(g) is required. The reasons for requesting the extension of time are the following:</p> <p>A recent communication in the form of FINAL REJECTION from the examiner Jamila O. Williams has lead me to believe that I was amending my disclosure from a copy with paragraphs numbered differently to the one that the examiner was looking at in relation to the examination procedure.</p> <p>I cannot yet tell if this difference in paragraph numbers may have caused some error in my amendment or in the examination procedure.</p> <p>It is for these reasons that I would like to apply for an extension of time and so that any discrepancy may be clarified and may not jeopardise the application</p>
